Nelson PARS 2016.docx

Attached for your review is your 2016 PARS agreement, which has to be signed by COB Thursday (since I'll be out on Friday). I've only changed the dates from the 2015 version and minor edits to the NPDES (Merrimack Station) and marine investigations (RARE) elements. I have printed and signed a hard copy and am asking you also to sign ASAP, but you also have the opportunity to review and make further edits to the PARS agreement up until 90 days before the end of the fiscal year. Thanks.
